North Point Lighthouse

"Preserving the Past for Future Generations"

Become a member today!

Become a member of North Point Lighthouse to experience the journey that connects you to this iconic historic landmark on our Great Lakes and its maritime heritage. Walk in the footsteps of the hardy people who kept the light shining and be a part of the retelling of stories of this 1888 lighthouse. Learn about the science and innovation of lighthouses and lenses, and about the drama of sinking ships and recovered "treasures," right off our Lake Michigan shores. And help us preserve this wonderful history for our future generations.
